The Legacy Initiative is pleased to announce the upcoming publication of its fourth anthology, *Words of War: Oral Histories from WWII Through the Present*. (Hardcover. Estimated 384 pages) Our Legacy Initiative's team of students has worked very hard for more than two years to select, edit, research and write narratives for the very best wartime accounts selected from our over 400 oral history interviews. This anthology focuses extensively on WWII oral history accounts based on land, sea, and air operations in Europe and the Pacific theaters; also from the Korean and the Vietnam wars. A special section features seven veterans who served in the 780<sup>th</sup> Bomb Squadron, of the 465<sup>th</sup> Bomb Group in Italy. This has been a wonderful experience for all our participating students and we hope you will support our project. All of our volumes are ideal gifts for the general reader, family members, students, or as

a way to honor and thank our veterans.
