|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Camp Dates | June 18-22 |
| Camp Times | 9:00-12:00 |
| Please Bring... | <ul style="list-style-type: none">• Please apply sunscreen prior to arriving at camp.• Please send a snack with your child every day. Our classrooms are a <u>PEANUT FREE ZONE!</u> This includes <u>snacks and sandwiches made with any nut or spread such as Nutella.</u> Sunbutter products are allowed.• Extra pair of clothes (just in case) to keep at camp for the week. |

Thank you for signing up for Cub Camp – Water Works! We are so excited to work with your little learner this summer. Our class rosters will be split into two rooms, if there is a large enough roster. We try and use two adjacent rooms so that we are able to cooperatively teach. This week, Mrs. Helmuth, Mrs. Pruis, Mrs. Stouder, and Mrs. Murphy will be working with your student.

The best contact email is lhelmuth@parktudor.org should you have any further questions about the camp. We would be more than happy to answer them as quickly as we are able. For immediate needs, please contact the camp Director. Mrs. Helmuth is a Kindergarten teacher at Park Tudor, and Mrs. Murphy has worked on both the World Language and Kindergarten teams at PT. Mrs. Stouder and Mrs. Pruis are both teaching assistants in the Hilbert Center at PT as well.

About this camp... This week we are going to be learning all about water. Where can we find water? Who and what lives in the water? How can we create art using water? We will conduct science experiments and discover items that float and sink. We will even create our own boat using one piece of aluminum foil and see how many pennies can fit on our boat before it sinks! On Friday, we will play in the sprinkler and have a water party!

Our general parent welcome letter can be found on the website, which will answer questions about **pick up and drop off**. If your child has specific medical needs, please alert our Director, Stephen Greiner (sgreiner@parktudor.org) or the school nurse, Cindy Pauszek (cpauszek@parktudor.org). If you would like to include me on these medical needs, feel free to cc me.

Sincerely,
Lili Helmuth, Donna Stouder, Gina Pruis and Molly Murphy
